The mission of the Vallarta Botanical

Gardens is to create Mexico's foremost botanical garden for the discovery, study, propagation, conservation and display of native and exotic plants for the enjoyment of Puerto Vallarta's residents and our visitors.

As a **nonprofit** charitable organization, the Vallarta Botanical Gardens relies on the contributions of our members and donors to sustain this natural sanctuary, continue much needed conservation projects, and further our outreach to the Puerto Vallarta region's community

Our Gardens are members of

American Public Gardens Association
Asociación Mexicana de Jardines Botánicos
Botanic Garden Conservation International
